Wesley has coached boys and girls of all ages, Kindergarten through post grad. All levels including instructional, recreation, local select, AAU, and High School. He is now currently the Varsity Girls Head Coach at Quince Orchard High School in Gaithersburg, Md.

When Wesley is not coaching, he is spending time with his family. His wife of 16 years, Brittany, son Jalen, and daughter Nia. Wesley is always studying and developing his coaching and leadership abilities. Whether that's reading, watching, networking, or attending development workshops.

His professional life has been spent coaching basketball and being a mid-level manager for several successful automotive service companies. He is an active leader and enjoys connecting with his players and employees, always looking for ways to maximize their production and success.
